## **TO ALL AFFILIATES OF NORLU CEDEC!**

We have sent the sample format of our Position Paper drafted by the STEERING COMMITTEE of the “NATIONAL SUMMIT” held in Cebu City (Waterfront) last December 5, 2019.

As cooperatives that contribute to the socio-economic and social just of the country, we deserve to be given tax privilege.

So we are enjoining everybody as affiliates and duly registered with CDA to send our Position Paper to our respective Congressmen for them to support our prayer for them to **“UPHOLD and RETAIN” our TAX EXEMPTION.**

Thank you.
